AVERY SPRATT
Experience Designer & Maker

WORK EXPERIENCE

Freelance Web Design & Development
CU Boulder Real Estate Center, Summer 2018
+ Designed user interfaces and information architecture of website for CU Boulder's Real Estate Technology Program.
+ Utilized an agile, iterative design process to help meet the expectations of the Real Estate team and the end users' needs.

Publicity Assistant
Tufts University Department of Music, 2015 - 2018
+ Designed posters, complied press releases, and head publicity for concerts put on by the music department.

UX Intern
SQRRL, 2017
+ Collaborated with product team on concept development for future directions, specifically in data visualizations and user interaction.
+ Designed solutions to UX problems for the KOLA product release.

User Research Intern & Retail Associate
Loyal Supply Co, 2016 - 2017
+ Collaborated on design consultations and lead human-centered research collection.
+ Managed sales, returns, and inventory in retail shop.

UX/UI Lead
Jumbocode, 2017 - 2018
+ Collaborated in group of 13 undergraduate students of ranking skill levels to develop a map-based visualization of news stories for local non-profit, Boston Institute of Nonprofit Journalism.

Campus Cactus Co-Founder
www.campuscactus.com, 2016 - 2017
+ Responsible for conceiving and establishing project geared toward creating a smooth transition for incoming college students.
